May 11th and 13th at Hurricane Park

Players must attend both sessions.

Rain Out Date set for May 17th.

Please reserve your spot at jonathanscrivner@gmail.com

Program Philosophy

The Tri-County Soccer Club Academy Program is designed to develop players in our U10 and U12 age groups who wish to transition from the recreational program to select soccer. The program is geared toward the advanced recreational player who desires to increase both the technical and tactical areas of the game. The Academy Program is not recommended for the casual player.

Training Schedule

Academy training sessions will be more intense and include more advanced activities designed to sharpen both technical and tactical aspects of the game. Commitment to practice is vital to success in the Academy program. Otherwise, players will not see desired results. TCSC provides team training opportunities two nights per week. Dependent on team assignment, players will meet for team training sessions on Monday, Tuesday or Thursday. Recommended optional workshops focusing on specific skill sets will also be offered periodically throughout the season for participants. Training sessions will last roughly 90 minutes. Players are also expected to work at home on basic technical skills such as juggling, ball handling, passing, etc.

League Play

TCSC Classic teams will participate in the CESA Academy League in Greenville. Most of these matches will be played on Sunday afternoons.

Tournaments

Teams are also encouraged to participate in local and regional tournaments as a supplement to regular season league play.

Fee Schedule

Season fees for the TCSC Select Academy Program are higher than those for our recreational program since more is offered to participants. However, in efforts to make the fees more manageable, they are divided and collected in installments throughout the season. See the chart below for more information concerning the fee schedule.

Tri-County Soccer Club Academy Soccer Fee Schedule	
Club Dues	\$125.00 due by June 1 st
Uniform Fees (if needed)	\$75.00 due by July 15 th
Training Fees	\$180.00—\$60.00 installments due by the 10 th of each month beginning in August
Total Fees Including Uniform if Needed	\$380.00
These fees do not include optional tournament costs.
